Message from the Salon Chairman

Dear Photo Lovers

Hope you all are doing well around the globe. A very happy new year 2022 to all of you and wish this year bring you happiness, peace and prosperity.

Given the magnitude of the pandemic crisis and the rather melancholy shadow it has cast, it helps us to forget that, we missed Chhayapath International Salon for one year. The pandemic has taught us profound lessons in doing the right things and by doing right things we present ourselves "A sound mind in a sound body"

Chhayapath International Salon has created a new benchmark by breaking is own record in many different ways. For the 1st time of organization history we have decided for an online judging for this salon and we had a panel 16 juries from 11 countries. With a record number of entries, we set a new record for our club. We have introduced free participation for the younger photographers (below 20yrs) to boost their passion for photography and we have received good response from tem as well.

I thank all the honorable juries for their precious time and devotion towards photography for selecting the best images for the exhibition.

I would like thank all salon participants for proving us an opportunity to see many places, cultures, traditions, human life, nature and wildlife. I congratulate all award winners and successful participants and hope all participants will continue to participate in coming years with more varieties.

I am very thankful to all members of executive committee and salon committee of Chhayapath Calcutta, who have been working constantly and completed their part to give it a success.

I also take this opportunity to thank the Federation of International Art Photography (FIAP), Photographic Society of America (PSA), Global Photographic Union (GPU), Hellenic Photographic Society (HPS) and Federation of Indian Photography (FIP) for granting recognition to the salon.

There were tales of sorrow, tension, grief and sustainability for society but the silver lining was that it has forced us to think. It was a period for us to reflect, challenge our minds and revitalize us physically and mentally. Optimistically new normal will come, when people have confidence that they can do what they used to do without endangering themselves or others.

I hope you will enjoy the year's virtual exhibition and will like the catalogue. I wish to see your participation with more outstanding photographs again in our next Chhayapath International Salon 2022.

Take care and stay safe.
